SUMMARY

User Experience student with 4 years of hands-on experience improving digital products across ecommerce, enterprise, and nonprofit organizations. Skilled in design, user research, prototyping, analytics, and AI-powered solutions, with a track record of translating user insights into actionable recommendations that support business objectives.

EDUCATION

Bachelor of Science in User Experience | Milwaukee School of Engineering | GPA: 3.91 | **Graduation:** December 2026

EXPERIENCE

IT - Customer Experience Intern | Clarios | Glendale, WI | June 2026 – August 2026

- Proposed solutions to usability issues impacting up to 86% of users across an international ecommerce site
- Maximized data accuracy and resolved ethical and legal compliance issues across 12 global web properties
- Accelerated customer support and data migration efforts through agentic AI solutions built with Copilot Studio

Marketing Intern | Direct Supply | Milwaukee, WI | January 2025 – May 2026

- Leveraged competitor research to design high-fidelity web prototypes directly influencing redesign decisions
- Executed 20+ email campaigns, including an onboarding series redesign that generated \$70K+ in orders
- Developed scalable templates that empowered teams to independently create on-brand marketing materials

Web Designer | Society for Research in Human Development | Milwaukee, WI | January 2025 – December 2025

- Guided digital platform strategy through cost analyses and strategic recommendations to leadership.
- Led a full rebrand, modernizing the visual identity through high-fidelity mockups, logos, and mobile-first layouts.
- Rejuvenated website discoverability through SEO optimization informed by Google Analytics insights.

Workplace Communications Intern | Earthjustice | Remote | May 2024 – August 2024

- Streamlined access to critical employee resources through accessibility-driven webpage redesigns.
- Partnered with stakeholders to standardize internal web experiences through design improvements.

Design Intern | District 214 Education Foundation | Elk Grove, IL | November 2022 – May 2023

- Modernized website navigation and visual designs through interactive and brand aligned code snippets
- Enhanced site usability through content updates, layout refinements, and optimized information architecture
